

NOTICE
OF AGRICULTURAL DISTRICTS TO
ALL REAL ESTATE PURCHASERS
IN ALEXANDER COUNTY

Alexander County has established agricultural districts to protect and preserve agricultural lands and activities. These districts have been developed and mapped to inform all purchasers of real property that certain agricultural activities, including but not limited to pesticide spraying, manure spreading, machinery and truck operations, livestock operations, sawing, and similar activities may take place in these districts any time during the day or night. Maps and/or information on the location and establishment of these districts can be obtained from the Soil & Water Conservation District, Register of Deeds, Cooperative Extension Service, the Natural Resources Conservation Service, County Planning and Inspections Department, and the County Tax Department.
